Do you think I want
sympathy from you ?

He is not an easy guy ...

But ...

if he thinks it's sympathy, then ...

It is ...

Is that what you've been thinking, Han-Se ... ?

You were so
confident ...

But now ...

You cannot
abandon me.

I dislike everything
in this world except
you.

And you do know
that which is why
you cannot leave
me.

He was so overly
confident ...

I knew this
day would
come.

If you think you
can leave me,
try.

Then now ...

Then
now ... !!!

A day later...

I am not on your list of choices.

How can you ...

Say that ?!

Damn !

There is no way ...

Kan-ko, you never cry ...

What is that ...

sympathy or ...

That just makes ...

more of a ...

... I want to stop
thinking ...

You look so happy,
Jin-Hong.

It's just a
music morning
set.

But you are paying for it.

It's not like this is your first time taking a free meal.

It doesn't happen as often as you think. And this is a breakfast and I am having it with you.

Have you noticed that I've been paying for your meals lately?

가아
This coffee is so nice. Why aren't you eating?

What are you planning?

Nothing.

Come on. Give me a break. I am simply enjoying my breakfast with my lovely girlfriend. That is all.

Sure, sure.

You certainly make single people out there sad.

By the way, have you thought about it?

Ah?

Spending time
together on a
snowy day !

I have to tell him ...

I have to ...

What's the issue?

Talking about making an event on a snowy day.

And such.

You know, you look like a really badass. You may look a little pretty but a badass.

You've become too nice lately.

And that has reduced your charm ... maybe a little bit.

Is that what
you want ?

If being a badass
bring more charm
for you,

I will gladly be
a badass.

Are you a transformer or something?

I have to tell him... but I just ... can't.

Good one. Oh, yeah, I am indeed a transformer.

You are mimicking Robocop. That's a very old gig.

Who cares.

Anyway, I am really looking forward it, so don't disappoint me.

Especially not this winter, no.

Tell him to back off for just this year. I don't care if this is going to be the last time.

Huh ?!

... I told you not
to make such a
face.

What?

If you are not
going to ask it,
hand it over.

But... did he
find out?

Key

Did he really -

Are we
leaving -

Or not?

It is...
a secret between ...

Hee-Se and me ...

Oh, God ...

There is the point
where I tell what
he and I do to
each other.

I cannot. I just cannot.

But for us, it's just
so ... natural.

Nobody would understand what we do ... not even Jin-Hong...

I hope ...

It won't snow
this year ...

Having to make choices I don't want ...

I don't like this.

But you know
there is no way to
avoid this ...

But ...

Han Se ?

Aren't all
those books
you have at
home enough?

No.

Do you get
something
for reading
all those
stuff?

What have
you learned?

Millions of
people, they all
share the same
pattern.

That's what
you always
say.

You know I am
somewhat
weak in these
days.

So, you don't
want sympathy
from me.

Then what
do you want
from me ?

Do you know
how anyone
you can be ?

What do you
want from
me ?

Tell me.

I want an answer
this time.

No.

If I do tell you,
I will really be
begging for
sympathy.

Besides

...

Besides what?

If explained out
loud, it's quite
childish.

.....

So what?
I don't care.

Or are you
begging
that you can
speak
nicely?

... I am doing my
best not to beg
to you especially
now.

What?

You are being stubborn for no reason.

This can end really quickly if you desire.

Don't try to see or hear ...

Because I am not letting you at all.

My mind is not open for all like these people here.

I don't want to be understood and I don't want to explain that to others.

Even to me? We are talking about your feelings toward me here.

Which is still none regardless.

It's mine.

(loud voice)

Answer me,
you idiot.

It's you ...
If you ask me
something...

I might ... I might
give it to you.

I said I wouldn't
tell you.

He's such a cheap asshole !

Really !

He's so weak but he has pride that's as tall as a mountain ...

If "it's over", then why did you do it on that day ?

It's so cold
tonight.
I don't wanna
go out.

It's snowing
heavily and
my condition
sucks.

Last year ...

Yes, about the
same month as
now ...

Yeah, it was snowing
heavily ...

Why did you wait me
then ?!

Oh, see you
tomorrow,
Jin-Hong.

Oh, with
where you walk.
Good night.

You startled
me, Han Se !

You've been
ignoring me
at school for
a long time.
What's up
at this hour ?

I am pissed
about you,
too, you
know !

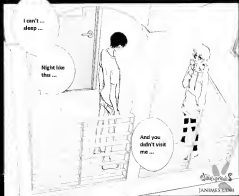

Why ...

Aren't
you
coming ?

What?

Finally,
I feel
sleepy

Where do
you think
you are going
?!

Get the hell
outta here!
Go to your
own damn
room and
sleep!

Grrrr!
Grrrr!

Good girl

Sleepy
Sleepy
Ha-Da,
My Ha-Da.

Sleepy
Ha-Da
goes
sleep.

The hell ?
You wanted
to sleep. Why
are you singing
me to sleep ?

And look,
he's fallen
asleep already.

Why did
you start
me on that
night then ...

It was you
who started it ...

And then ...

He left me like that !

Hey, Kang
Han-Se !

And then you acted as if nothing happened !

Like

What was
that for?

You should
have woken
me up also if
you got up
early!

Hey,
wait for
me -

You are walking
too fast, wait up.

Yeah,
that was
when it
began ...

Early
spring -

It's when our
relationship
went awryward.

I don't like
this at all !

Don't expect
me to let go of
this matter easily
like before !

And I am not
falling for your
trick again, got
it, Han Se ?!

Please
be quiet !

Oh, fine,
I am
leaving

You know,
too,
mother.

Your tendency
to bluff hasn't
changed, I see.

That's some
stubbiness
you have
right there.

Who would know
by just looking at
you right now -

That you couldn't
last a season and
eventually broke
down without that
child.

And that
you needed
her for
recovery.

It's strange
that you didn't
cry when
you said that

I figured you'd
laugh at me.

... So, have
you realized
now that

Going against
fate is quite
hard?

... Give that
to a dog or
something

How cute.
You are indeed
my son.

That's such a
cute mysophobia.

Which is only
possible only
when you are
young ...

No.

"mysophobia",
hmph...

Don't use
such a
fancy
word.

It's nothing
fancy.

I am just...

He looks really
nice. That's all.
Parvosa.

You are
indeed
young.

Seeing that
you still
believe
something
like "love".

I figured
you wouldn't
be able to
understand.

Don't be
so mean.

Do you think
I was an adult
from the beginning?

You know,

It's going to be
a lot harder for
you in this
winter.

Let me sleep,

Please, don't

Don't abandon me.

Don't let me

Save me -

Maybe...

It's not good.

Goodbye...

For how long
do I have to
do this ...

Hey, you
left me
alone !

Hey,
Han-Sol

Wait up.

You are
walking
too fast.

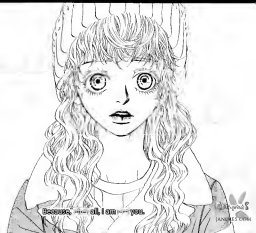

Yes...

I am sorry ...

No matter how much I tried, I've always failed to understand you.

Because, after all, I can't see you.

I told you not to
make such a face
like that.

Makes me feel so insecure.

Are we going

What I really want is to become you.

To understand you.

No matter how hard I tried though, I simply could not.

Because I can't see you.

I told you not to
make that kind of
face ...

If could...

I could smile like ...

Whenever I see him...

Like ... do

Like ... you do.

I am not being

I do really

I could thank the

The fate made I am putting on night

Are you guys
fighting again?

may not actually
be fate.

Even saying that is all I request for.

I want to be you.

And I want me to simply disappear.

You only smile
when you are thinking
about her.

Like an idiot,
you do.

When you were holding
a construction log, you
looked like you were
ready to kill someone.
When you are with her,
you smile and act like
a total idiot.

... I am ?

Yeah.

It's so
easy to
tell.

So, today I brought
you the perfect treatment
to get your spirits high
as ever.

???

What ?

How about
a meeting ?!

If it snows, I will be
out.

I don't play
when it snows.

See, there is
your smile again.
Dude...

Fine, but
under one
condition

Okay!
Just spell
it out!

Plus ?
Snow ?

We weren't expecting much, but this is beyond disappointment.

Right back at you !

Hey, A-Ga, you said they were nice cute sweet girls ! Check your damn eyes ! They are not even close to nice, cute, and sweet !

And what's with their name hair and clothes ?
Name ?

Hmph, we only came here because you were An-Hang oppa's friends. Otherwise, we wouldn't even be sitting here right now.

We are in high school now. We aren't interested in losers anymore.

What the hell
are you?

Is she really a
stalker?

What am
I?

I think that's
my line ...
at least for
today.

Anyway, I've
caught you in
act. You are
having an affair.

None of your
damn business.

And get
your finger
off me before
I break it.

You know,
I could report
this to -

that brat
of yours
who dares to
be your
girlfriend

Do you -

Really want to
die by my hands ?

Go ahead.
Be my guest.

Hey, An-Hong,
where are you
going?

They say they
know a good
place with a
lot of their
cuisine.

Well, I will
do my job
first, so go
on your
trip.

Getting along really well
somehow.

It's so cool!

Did you know?
I am a
bunch deeper
now!

There

I am not gonna
rat you out.

Why would
I do that
anyway.

I know what you
are thinking.
You want to see
her in jealousy,
don't you.

It was a little
bit more slightly
intentional
to me.

... Finally

I am leaving.

I have an appointment.

O, don't
go, oppa !

Wait!
Wait!

Damn
It !

Don't
change !

Don't change !
You hear me ?!

Don't be
a good guy
and smile like
that ! It doesn't
suit you !

What would
you know ?

It's called
"Love".

Idiot.

You have no
right to call
me an idiot ...

하...
하...

You really
are an idiot ...

How about
that -

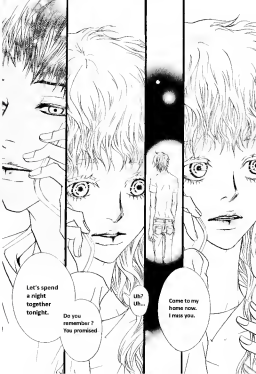

Awesome,
an't it.

Even at night

White ♡

The whole
world is white.

Let's spend
a night
together
tonight.

Do you
remember ?
You promised

Uh?
Uh...

Come to my
home now.
I miss you.

Why aren't
you answering
me ?

You are still
half asleep,
aren't you.
Wake up-

안녕
안녕

... Okay.
I will be
there.

Okay, I will be
there, Jin-Hong.

We will be fine...

One day...

Room 17 ...

I am not with him anymore...

Bro ♡

I can handle him from here. Go home now.

I mean, now.

Just go. Get out before she comes.

... dude ...

You ...

Who do you think I am ?!

You can't just call me when you want and kick me out when you want !

Come on. I respect you, bro.

I just know that you have to ♡ leave.

Just hire someone to play with you ? I know you are rich ! What the hell did you call me to play with me for ?!

Then just do everything yourself

~~~~~~

Hiring someone to prepare an event is no fun at all, you know.

Now just leave

Come on ♡

This is the first time,  
that's why it's hard...  
It's not like I haven't  
visited his home  
anyway ...

[For those who have forgotten  
Ha Da used to sleep with Han-De  
during snowy nights always.]

See,  
I can do it.

Piece of  
cake, you see.

Huh?

That's  
Han-Se's...

Are you not  
going to greet  
me?

H, hello!

She is here  
for me.

Everything has to  
be spelled out loud  
for you to act, huh.

Sh?

Too slow...

Have you not yet  
released how important  
you are to Han-Se?

Does affection  
toward you have to  
be declared out  
loud for it to  
work at all ?

Life is not  
always black  
and white.

I am  
never  
going to  
show  
you...

He means...

It's mine...

He ... must  
have his  
reasons.

... What?

He must have his  
reasons for not  
showing to me  
and not telling  
me.

So, I won't  
push him.

I have to respect him -

Especially if he has to  
keep his silence  
about his affection!

U, I am sorry.  
Excuse me  
now. Good  
night -!

I don't know.

I don't know, either.

I don't know how  
to handle you anymore.

I usually don't know.

Did you  
see ?

Yep,  
oh man ...  
that was ...

I think the  
guy is  
bizarre.

I mean,  
wearing like  
that is middle  
of winter !

Han-Se !

You idiot,  
What are you  
doing outside  
with clothes  
like these.

Let's go.  
Let's go home  
and sleep.

Why did you turn  
your phone off ?  
It's not funny.  
Turn it back on.

Mimi?

Did you  
hear that ?

Just now -

My heart exploded.

I don't want  
to see mother ...

Let's go to  
my home  
then.

Let's  
go.

I dislike you  
even more than  
mother.

More than  
mother ...

I really hate you.

Didn't I tell you that you  
look wicke when you smile  
like that ?!

You can act all tough,  
but you should really  
act tough accordingly  
and not always. I

Quit your  
gibberish  
and follow  
me !

In middle of  
winter and  
you don't even  
have shoes  
on. You piss  
me off !

No,  
let go.

Let  
go

Don't  
He-He

May

I wish,  
but,

Don't say that.

Those words  
hurt me ...

Even if ...  
even if I know  
you don't mean  
that.

if that's not the  
definition of love,  
then what the hell  
is ?

You know, that happened  
in our childhood. Actually,  
in fact, you forced me to -

I like you more  
than more-and died !

Oh, okay,  
I like you, too

Well ?  
You need it  
anyway, didn't  
you ? Did you  
not mean  
that?

... I did mean  
that ...  
- at that time. -

It's  
different  
now, you  
know.

How is it  
different  
now ?!

How about  
Cha Jin-Hong?

Doesn't the top  
spot in your  
heart

belong to  
him now ?

**No !**

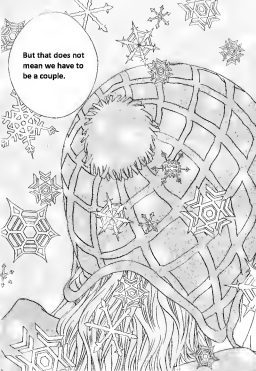

**You are the only one  
I like the most in the  
world.**

**Do I have to  
repeat ?**

**I love you.**

But that does not  
mean we have to  
be a couple.

Yes, Jin-Hong is my boyfriend but if I have to rank you and him, I rank you higher than him. Is that so wrong ?

Wrong or  
not, I don't  
care  
anymore.

Besides, while  
I don't want to  
seem ungrateful,  
your method of  
thoughts are too  
immature.

Yeah? Well,  
um, I am a  
child! Fine!

YOK  
YOKA

I just want to  
say: For your  
sake, don't say  
that to him.

I would  
never do  
that!

Of course, you'd  
get a cold sooner  
or later with that  
clothes in middle  
of SNOWING  
winter !

Get inside !

GET INSIDE !

It's nothing. I just  
got a little chilly.  
That's all.

**Shut up !**

Go inside and take a warm  
shower ! And do make sure  
that you change your clothes !  
If you get onto my bed  
with wet clothes on again,  
I swear to God that I will  
murder you this time !

**Go now !**

I do know -

That it happened in childhood.

I like you, Mom.  
No-Da

More than mom  
and dad.

But you know, nothing between us ever changed since the childhood.

Use the bathroom  
downstairs. And  
this is my oppa  
(brother)'s clothes.  
They look plain but  
it's all I got.

Our childish feelings toward each other -

There is no racing for the heart

Even if we are together like this.

It's so unlike when I am with Jin-Hong.

..... Right !  
An-Hung !!!

This is crazy !

I even turned  
my cell off  
since I didn't  
want any  
distractions !

Figures.  
He's not  
answering.

I bet he is  
mad. Very  
VERY mad !

What do I do,  
does it ?

And ... the hell ?  
There is one message  
from him.  
And it is a voice mail !

Is this morose  
turning into a  
humor series ?

Want me to  
dry your  
hair ?

ㅈㄱ  
ㅈㄱ  
You can get a cold you know, if you hang around all wet like that.

ㅈㄱ  
Hm-Se, you look ...

ㅈ  
He scared the crap out of me!

ㅈ  
What, you are acting all good and dandy now? What does that make me an idiot?

ㅈ  
Were you really ill or was it just my stupid imagination?

ㅈ  
If you feel shivered, leave then.

ㅈ  
It's already so late, look! T.T

Yes, it's too  
late now ...  
Too late ...

I should have  
told you ...

Let's make  
this year's  
winter totally  
ours. ♡

Even if he was  
smiling ...

so desperately  
like that ...

I shouldn't have been running away ...

Just because I did not want to hurt him ...

Figures ... I  
He is not answering  
at all ... III

Don't get  
pissed,  
pretty  
please ...

I've been telling  
you for so long  
that it is not  
what you think ...

Yes... I do admit  
that I am unable  
to resist Han-Se  
who he is in  
need of my help  
but with tonight's  
event, I can assure  
you that -

There is not going to  
be "a change of heart"  
as you put it ...  
So, please ...

Don't revert  
yourself back to  
the old days.

Don't cry like  
that ...

Uh...  
what  
what?

So what if I have  
a mole here?  
... It's a pretty  
big one, I know.

My first  
time seeing  
a mole  
there.

You didn't have  
it when we were  
kids. I haven't look  
at your body for  
years. Come on,  
we are grown  
up now.

Uh...

Uh...  
nothing.

Aren't you  
going to  
look?

I think... I just  
heard something  
shocking...  
I think...

You know...  
I am not sleepy  
at all. Can I  
watch a movie?

Shouldn't you  
wake up early  
tomorrow?  
I mean, you  
gotta explain  
to him.

Uh, yeah...  
I guess... you  
are right.

Good  
night.

Yeah.

That's why it's uneasy now...

When I think about it...

When...

You sure woke  
up early.  
I mean it's not  
even dawn yet.

Whatever,  
did you have  
good sleep  
anyway?

Why do you look  
so surprised ?

It looks like you  
weren't the only  
one who spent  
the night without  
being able to close  
eyes comfortably.

크로롱..

Years now ?  
For what ?

Did you do something  
bad ? Huh ?

Let's end this.  
We need to  
break up.

We ~~should~~  
keep going like  
this. It's ~~not~~ enough  
for both of us.

Let's break up.

You are acting

Pretty much  
everything.

Thanks for

They are born alone

Every

every snowing

sure you've  
seen it.

She was a gift

Did you not like  
her ?
